## BDA Documentation

Quality Standard Specifications, Office Procedure forms and Practice Notes available to members.

## Legal Services

Members benefit from advice through the BDA solicitor's scheme and regular articles on copyright, contracts, etc.

## Education

BDA is active and vocal regarding education and training standards.

## National Affiliations

BDASA Inc is a member of the Building Designers Association of Australia (BDAA). Members benefit from national contacts.

## BDA lobbies governments

BDA is active at Local and State Government level in lobbying on behalf of its members' interests. BDA will protect the rights of building designers against restrictive trade practices. Members who become the subject of victimisation, suffer prejudice or who are detrimentally affected by the actions of others are supported by the BDA.

## Get with the Strength!

BDA SA is recognised by Industry and Government as a significant voice in the building industry. This is demonstrated by statistics that Building Designers contribute on average 86% of all Local amount of Government /Private Certification applications each year irrespective of the applications processed each year.
